BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the lounge on **Friday, May 27** at **2:30 p.m.** to discuss *The Island of Sea Women* by Lisa See. This novel explores the culture of South Korean female divers known as the haenyeo. It follows the friendship between two divers named Young-sook and Mi-ja, spanning episodes in their lives from 1938 through 2008. The action of the story primarily takes place on Jeju Island off the coast of South Korea, with additional episodes occurring during a diving expedition near Vladivostok, Russia. Young-sook and Mi-ja form a close friendship as they learn to become divers together, get married, have babies, and both suffer through a particularly difficult period of South Korea's history right after World War II.

In June, the book group will discuss a great book to be announced.
