BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the lounge on **Tuesday, June 28** at **2:30 p.m.** to discuss *Deacon King Kong* by James McBride. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and in front of everybody shoots the project's drug dealer at point-blank range.

The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of this funny, moving novel. McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself.

In July, the book group will discuss a great book to be announced.
