BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the lounge on **Monday, August 26th to discuss the Book... A Lesson in Chemistry** by Bonnie Garmus is a 2021 novel that was named Barnes & Noble's book of the year in 2022. The book is about Elizabeth Zott, a brilliant chemist in 1960s California who faces sexism and struggles with grief while also hosting a science-focused TV cooking show and becoming a single mother. The story explores themes such as gender bias, the power of education, and family dynamics.
