## BOOKNOTES

### Book Group

The Eugene Hotel book group members will meet in the lounge on **Monday, October 28th to discuss the mystery of your choice...** False clues, vonvincing characters, red herrings, dead ends, unexpected twists and a stunning conclusion; This is what we've come to expect from bestselling mystery stories. Most mysteries can be placed within 7 main types; classic, crime, police procedurals, noir, private detective, cozy mysteries, and capers. With so many options and thousands of mystery writers, you are sure to find something you'll enjoy. Please come prepared to tell us a bit about the author and to give a review of the book.
