 10:00-12:00 Clarke's Store
 2:00 Humanitarian Aid in Tibet Presentation by Leigh (L)
 6:30 Evening Film (L)

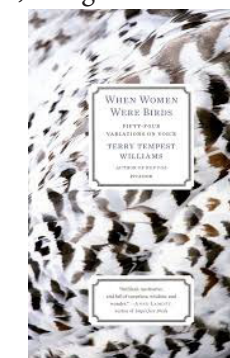

BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the Lounge on **Monday, February 24th to discuss the Book *When Women Were Birds***, by Terry Tempest Williams. This just-over-two-hundred-page memoir is a small book that fits easily in a purse or a large pocket. It is one designed to be taken along when you leave the house. When *When Women Were Birds* weaves Williams's personal and family histories with that of the land on which she came of age. As any fan of Williams will expect, this slender volume includes many a powerful metaphor, startling anecdote, and compelling social-justice perspective. It is a book about womanhood and voice; it demands to be adored, or so I found it. Terry Tempest Williams's writing is also unapologetically political, in that personal-is-political sort of way. This book is a memoir about Williams's experience on losing her mother and grandmother, and then reckoning with her mother's many, many blank journals. Thus, themes of motherhood, womanhood, birth, and death abound; so too, abortion, sexuality, love, and grief.

Eugene Hotel
