BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the lounge on **Monday, October 27th to discuss the book *My Friends* by Fredrik Backman** This Novel is about a group of four teenagers—Joar, Ted, Ali, and the artist, Kimkim—who form a powerful, life-saving friendship one summer on a pier, seeking refuge from their difficult home lives. The story unfolds in two timelines: the teenagers’ past and the present day, 25 years later, where a troubled young artist named Louisa becomes fascinated by a famous painting created by Kimkim, which secretly depicts the group. Louisa’s journey to uncover the painting’s story and its connection to her own pain highlights themes of friendship, loss, art, and the enduring impact of human connection.
