# BOOK NOTES

## Book Group

The Eugene Hotel book group members will meet in the Lounge on Friday, February 27th at 2:30 to discuss Eleanor Shearer's novel *River Sing Me Home*

*River Sing Me Home* is a historical fiction novel about a mother, Rachel, who journeys across the Caribbean after the 1834 Emancipation Act to find her five children, sold away during slavery. The book follows her quest from Barbados to British Guiana and Trinidad, exploring themes of motherhood, freedom, and resilience in the aftermath of slavery, inspired by true stories and the author's Caribbean heritage.
