BOOK NOTES

Book Group Meets in the Lounge on the Last Sunday of the Month at 2:30 p.m.

This Is Happiness by Niall Williams

This Is Happiness is a 2019 novel by Niall Williams set in the fictional Irish village of Faha, County Clare, focusing on 17-year-old Noel Crowe as he experiences love, friendship, and the arrival of electricity in the late 1950s. The book is known for its lyrical prose, focus on language, and exploration of time, memory, and the simple joys of life, often described as a "coming-of-age tale like no other" that finds wonder in the everyday. It's praised for its charming characters and its celebration of finding happiness in the present moment.
